

Flixton Road Medical Centre Patients: Find Cancer Early, Save Lives: Join Our Patient Power Squad!

Calling all Flixton Road patients. Help make a real difference in our community and help save lives. We have the perfect opportunity for you!

We're **restarting our Patient Group**, and our first mission is to support the **Through the Front Door Cancer Project**. This project helps patients to **spread the word about the importance of early cancer detection**.

This is important. It's easy to do. Detecting cancer earlier means it's easier to treat, increasing the chances of survival. **Together, we can make a difference.**

Here's how you can find out more:

- Join our friendly **drop-in session** on **Friday, March 1st at 5:30pm** in **Room 3, Flixton Medical Centre**. No need to book, just turn up.
 - Bring a friend if you want. The more the merrier.
- **Enjoy a cup of tea and learn more** about the Patient Group and the Through the Front Door Project.
 - **No experience needed!** We welcome everyone. Share your ideas, skills, or simply lend a hand – every contribution counts!
 - **Give back, as much or as little as you can:** Flexible time commitment, perfect for busy schedules.
